P

USIA There is no evidence whatever that RPR disapproved of
NSC Khrushchev back down on Cuba. On contrary RPR officials
INR demonstrated genuine relief after October 28 that danger
CIA of war averted. Prior to October 28, regime generally
NSA followed Soviet line, thought it was more guarded in
OSD reacting to quarantine than was USSR. If regime has any
ARMY private doubts re Soviet handling Cuban situation (which
NAVY is not proven), they probably are that USSR unnecessarily
AIR produced dangerous situation by over-committing itself
NIC in Cuba.
